STITCHING CHANNEL FOR DRAWCORD

- Seaming on the large circle only, with a circular line all the way around 1/2" from outer edge all around.

©Desiree's Designs delivers another fantastical collection of imaginative characters in a whimsical steampunk world. A large feature panel and border stripe mix and match seamlessly with themed coordinates to create a one of a kind project. These Halloween fabrics are spooktacularly creative!

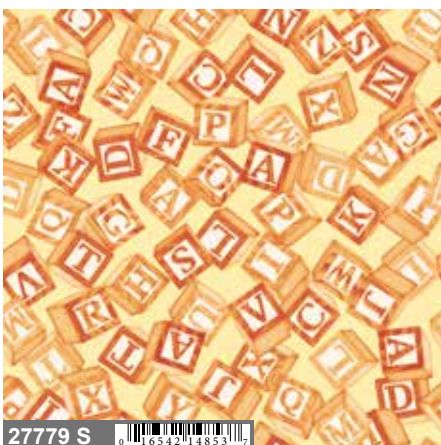

Steampunk Halloween Quilt by Desiree Habicht
63½" x 45"

A tote bag with a vibrant pattern of various donuts is the central focus. The bag's handles are made of a material covered in multi-colored sprinkles. The background is a light blue and white pattern featuring several teapots and teacups in different colors and styles, some with floral designs. The overall theme is a delightful combination of tea and donuts.

When we get requests for fabric from our customers, we listen! Head to the donut shop and don't forget the sprinkles. These fun prints are sure to make you smile! A cup of tea is always a good idea. This & That is where you see what customers are looking for!
