**COMPLETING THE HEART BLOCK**

**1.** Mark a diagonal line on the wrong side of each 6" Fabric A square. Select a colored 6" square and place right sides together with the Fabric A square. Stitch 1/4" on each side of the marked line on the Fabric A square. Cut apart on the marked line to make 2 units. Open the 2 stitched units and press with seams toward the darker fabric to complete 2 half-square triangle units.

**2.** Trim each half-square triangle unit to 5 1/2" centering the diagonal line on the square ruler with the seam on the pieced units.

**3.** Repeat steps 1 and 2 with all 6" squares to complete 2 half-square triangles of each color combination. Set aside 1 each Fabric C, D, E and F half-square triangles for another project.

4. Arrange and join the pieced units and squares in rows as shown. Press seams in adjoining rows in opposite directions.

5. Join the rows to complete the Heart block. Press seams in 1 direction.

5. Turn right side out through the back opening. Press edges flat. Insert pillow form to finish.
